

EXCLUSIVE

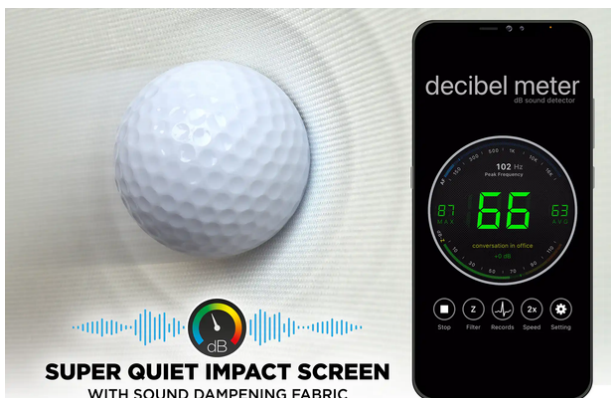

GSH PRESENTS | JAN 2024

SIMSPACE PROFESSIONAL GOLF ENCLOSURES

- 100% Polyester impact screen
- Super strong 2-layer fabric
- HD quality projection surface
- Sound dampening material
- Includes frame
- Walls & ceiling constructed of premium velour fabric

Available in six different sizes, these enclosures are designed to accommodate any room size, even if space is a premium.

FOAM EDGE PADDING INCLUDED

Thick foam padding can be attached to the edges of the enclosure for added protection against ricochet impact.
